

Group Exchange in Germany: 12-15 July, 2022

We would like to invite EU SMEs, clusters and scaling-up support organisations¹ to participate in the 3 full days group exchange in Chemnitz and Dresden, Saxony during the period of 12th-15th of July **organized by Rail.S** partner within the EU-funded **EXXTRA Project** (“EXcellence EXchange and Teaming-up between RAILway clusters). Rail.S, the owner of ECEI Bronze Label (awarded by ESCA for Cluster Management Excellence), is one of the largest Railway cluster from Germany representing Saxony Region with more than 100 members.

The exchange foresees organized Networking Event “Summer Party” with local companies from Saxony Railway industry, organized visits to Smart Rail Connectivity Campus, Fraunhofer Institute, Technische Universität Dresden and other network partners, presentations and B2B meetings with Rail.S and its members.

The number of participants is limited and they can receive a **reimbursement equal to 415 euro**. The participation requires an **obligatory registration** and specific steps to proceed according to the project. The draft agenda is attached. Please subscribe to the event **until the 25th of June 2022** here: <https://forms.gle/UcpD6pf8dd3n7iqj8>. For more details contact: irina.vescu@ditcefer.eu.
